

Annual Membership

An annual membership is a yearly contribution to the Global Asteroid Protection Society. This annual membership allows our society to investment in what is necessary for the protection of assets from stellar threats.

We use all contributions for the implementation of Phase I, II, III, IV and V plans as soon as feasible. We also use funds to build capacity to provide protection in the event that we need a fail-safe.

Status	Yearly Contributions
Basic	Any Value
Copper	200 usd
Bronze	1000 usd
Silver	2000 usd
Gold	5000 usd
Platinum	10,000 usd
Anti-Hydrogen	100,000 usd

All those who contribute are provided:

- Recognition that you are providing funding to protect the planets from asteroids
- Annual Membership level encrypted Key*
- On-going contribution counter
- Access to Threat Notification System

*Digital Key is provided as a method to recognize status of individual bearing key. Those provided key(s) may have access to fail safe systems, in the event of an emergency situation.
